

Hello,

As the Marshfield chapter of PFLAG, we provide support, education and advocacy for parents, families, friends and allies of Lesbian, Gay, Bisexual, Transgender, Queer and/or Questioning, Intersex, Asexual, Two-Spirit (LGBTQIA2S+), and the countless affirmative ways in which people choose to self-identify across north central Wisconsin. Here is our vision and goals.

Our Vision

PFLAG Marshfield envisions a world where diversity is celebrated and all people are respected, valued, and affirmed inclusive of their sexual orientation, gender identity, and gender expression. We are committed to changing attitudes and creating an environment of understanding so that all LGBTQIA2S+ people can live with dignity and respect.

Our Goals

Through our core values of meeting people where they are and collaborating with others, PFLAG Marshfield seeks to realize our vision through:

- Support for families, allies, and LGBTQIA2S+ people.
- Education for ourselves and others about the unique issues and challenges that LGBTQIA2S+ people face.
- Advocacy in our communities to change attitudes and create policies and laws that achieve full equality for LGBTQIA2S+ people.

How can you help us reach our vision and goals?

There are multiple ways.

- Learn and share.
- Educate yourself and others.
